

TransFER

Wels–Lübeck–Kiel

Connecting Central and Northern Europe

TODAY. TOMORROW. TOGETHER.

TransFER Wels–Lübeck–Kiel

Fast as lightning connection to our comprehensive network (TransNET) and throughout Central & Northern Europe

Holistic transport chain planning with end-to-end deliveries and disposition from a single source

Seamless between Austria and Northern Germany

Safe, reliable, punctual and in maximum quality

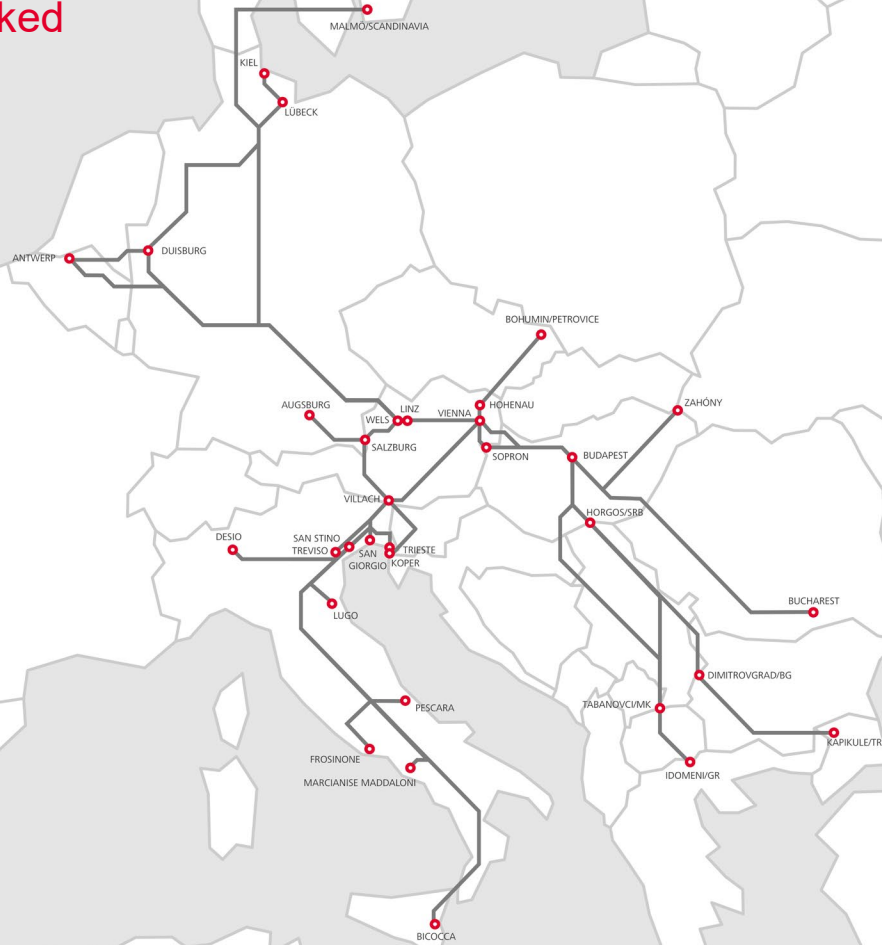

4 times a week in a round trip between Wels and Lübeck and 3 times a week between Lübeck and Kiel

Logistics competence carrying our name

- Multifunctional TransFER connections with capacities for mixed trains – for both **conventional wagonload** traffic as well as **container transport**
- Industry-specific rail logistics solutions for **all industrial goods** and **dangerous goods** shipments (RID)
- Contemporary **transport information** about the shipment status

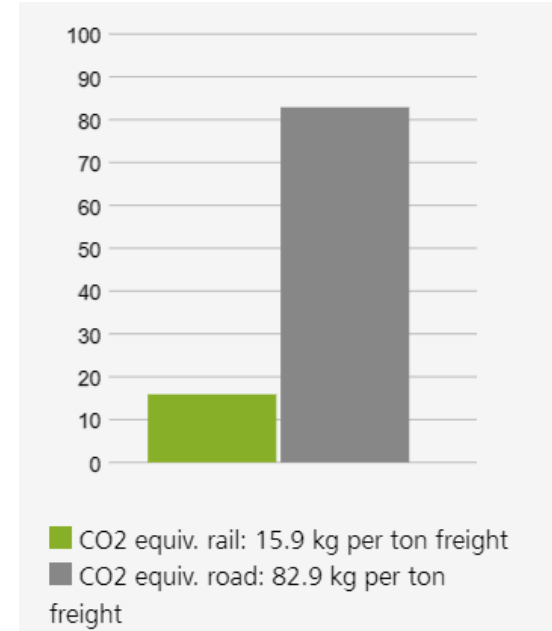

High-frequently linked

The non-stop connection as interface of European economic centers

- **Arrival & distribution** via efficient single wagon system with a strong operating grid in the area
- Train formation points at terminals in Wels, Lübeck and Kiel: Composition of **single wagon** consignments and **groups of wagons**
- Connections to the **Scandinavian and Baltic markets** and beyond via the Baltic Sea ports in Northern Germany
- Connection possibility to **ocean-going ship traffic**

Emissionsvergleich Schiene / Straße

Calculated with EcoTransIT-World assuming an average load and the respective country energy mix..

Your benefits

- **Seamless** order processing with quality assurance
- Processing with our **own locomotives** – ensuring a continuous and high-quality international production chain
- **Competitive advantage** through extended in-house production radius
- **Shortened transport times**, improved punctuality, complete safety, maximum service quality
- Rapid connection to the entire TransNET as well as economic regions throughout Central and Northern Europe with **end-to-end logistics solutions**

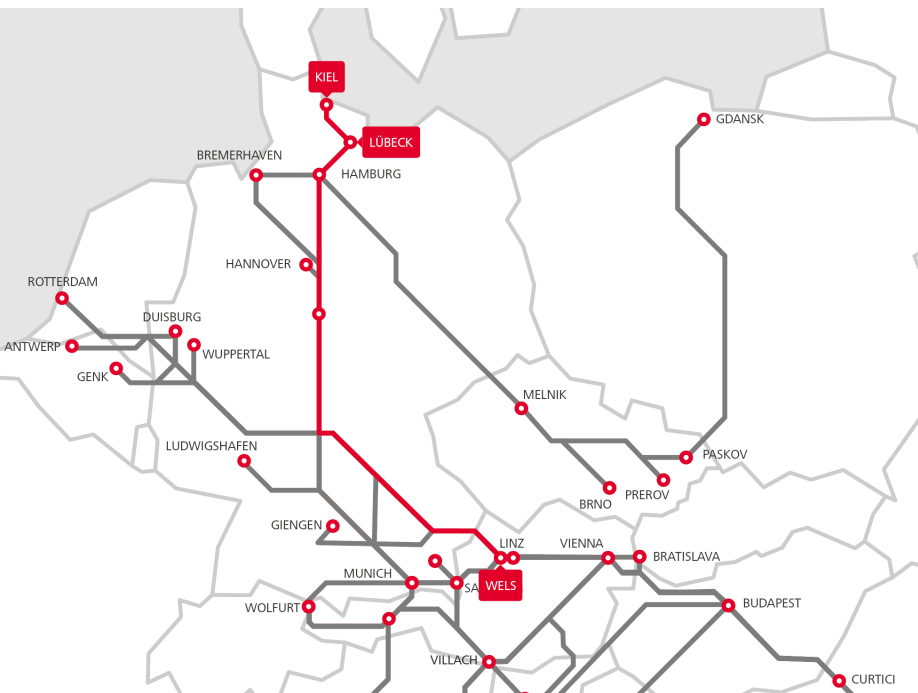

What matters

We take care of every detail

- Organisation of first and last mile
- Transshipment facilities and warehouse logistics
- Always ready in an emergency
- Damaged wagon management
- Emergency management
