

# TransFER Salzburg–Augsburg

Our TransFER Salzburg–Augsburg connects Austria with Southern Germany and the entire Central and South-Eastern European region. This strategically important axis enables fast and efficient freight transport between the important economic centres of Salzburg and Augsburg and beyond. With two round trips per week, we guarantee a regular and reliable transport connection.

## Your benefits at a glance

- Sustainable conventional cargo and container transport – also suitable for the transport of dangerous goods (RID)
- Comprehensive end-to-end logistics solutions, including organisation of first and last mile, to get your freight to its destination smoothly
- Comprehensive additional forwarding services, including transshipment options, modern warehousing logistics and professional customs clearance
- Connections to and from Austria, Germany, Italy and the whole of South-Eastern Europe
- Two round trips per week for reliability and predictability
